

Thursday is an evening of celebration of our VBS Week!

We're singing songs, having a cook-out, playing outside, and learning about how God likes for us to enjoy being together and loving one another. We've been giving our change to Heifer International for a bee hive and a goat for families around the world this week. For Thursday, the children have been asked to bring a canned food item to donate to our local Helping Hands of Georgetown. The hope is that they will learn that we share our food and enjoy celebrating together.

Here are more details:

The Children's Program begins at **5:15 in the sanctuary.**

Arrive early to get a good seat. Children will sit with their families.

If your child attends YMCA or GPC Preschool in the afternoon and you would still like for us to walk them over for VBS activities, please text (803) 924-0576 or email jenni@gtpres.org.
